

Pipe, Valves, Fittings and Engineered Specialty Products

Process Specialties

- **Asco**
Solenoid Valves
- **Ashcroft**
Gauges, Thermometers
Thermowells
- **Centerline**
Rubber Lined Butterfly Valves
- **Chemtrol**
PVC, CPVC, Polypro, Kynar
Fittings & Valves
- **Consolidated**
Pressure Relief Valves for Steam, Air, Liquid, Gas
- **Dixon Valve & Coupling Co.**
Hose Fittings
- **Duff Nortin**
Rotary Joints or Unions
- **Grinnell Co.**
Steam & Gas Unit Heaters
- **Yarway**
High Pressure Gate & Globe Valves
- **Hayward Strainer**
Industrial Strainers
- **IMI Cash**
Pressure Regulators
- **ITT Engineered Products**
Fabri Knife Gate Valves/Diaphragm Valves & Lined
Ball Valves
- **Ladish**
Stainless Steel
Gate, Globe, & Check Valves
- **Milwaukee Valve Co.**
Bronze & Iron Gate, Globe & Check Valves
Butterfly Valves
- **Mueller Steam Products**
Automatic Strainer, Duplex Strainers
Custom Strainers

- **Jamesbury, Inc.**
Ball Valves, High Performance
Wafer-Sphere Butterfly Valves
Emission – Guard Valves
- **RP&C**
Forged Steel Gate, Globe & Check Valves
- **Spirax/Sarco**
Steam Traps, Strainers
Pressure & Temperature regulators
Condensate Pumps/Rotary Filters
- **Techno**
Double Door Check Valves
- **Teleflex**
TFE Lined Flexible Metal Hose
- **Williams**
Cast Steel Gate, Globe & Check Valves
Stainless Steel Gate, Globe & Check Valves

Pipe/Tubing Fittings

Stainless Steel Products (Import/Domestic)

- Asweld (A778/774)
- Full Finish (A#312/A403)
- Fittings 150#/3000# 304/316 Socket & Threaded
Belled End Fittings
- Carbon Steel (Seamless – A106/Welded A53)
- Brass, Copper
- Plastic (PVC/CPVC/Polypropylene/Kynar)

Miscellaneous Products

- | | |
|---------------------|----------------------|
| Hangers | Stub Ends |
| Hose & Fittings | Victaulic |
| Nuts & Bolts | Flow Indicators |
| Gaskets | Regulators |
| Flanges | Metal Expansion |
| Unit Heater | Joints |
| Nipples | Back Flow Preventors |
| Quick Disconnects | Float Valves |
| Angle Rings | Permatex Sealants |
| Back-up Flanges | Gavlon Paints |
| Flexible Metal Hose | |
