TRIO boilers: the contractor's choice

CAST IRON BOILERS

Did you know that our TRIO cast iron boilers are a leading line for many residential and commercial contractors? With its highly efficient three-pass, low-mass design, TRIO delivers consistent heat while using significantly less fuel. Since first launching 11 years ago, over 20,000 units have been manufactured for distribution in the Northeast!

Visit the TRIO boiler website for an educational video, downloadable brochures, spec sheets, installation manuals and links to information on state rebates. At trioboiler.com, you'll learn why TRIO offers the best value on the market today.

TRIO boilers are offered exclusively through F.W. Webb. One of our dedicated heating specialists would welcome the opportunity to tell you more.

Contact F.W. Webb's Director of Heating Sales, Michael DelConte, to schedule a meeting, mdel@fwwebb.com or 781-825-3243.

Commercial sheet metal shop: enhanced capabilities coming soon

Since 2014 F.W. Webb has been offering commercial fabrication services in its "Duct Works" sheet metal shop. Situated in Haverhill, MA, the fab shop is powered by the most sophisticated production machinery and technology available. F.W. Webb fabricates high-quality commercial and industrial ductwork in a variety of shapes, sizes, and metals to meet your exact needs and specifications.

In our ongoing effort to meet your requirements and the growing demand for custom work, F.W. Webb recently added additional staff and expertise. And coming later this year, F.W. Webb will begin operation of additional machinery to manufacture spiral fittings.

Count on F.W. Webb to meet all your custom ductwork project needs.

To learn more, call Josh Alward or Rob Stone at 978-374-8448.

Propane Gas Equipment & Parts
Water Systems

American Standard Cadet PRO Toilet

- Trade Exclusive
- PowerWash® Rim scrubs bowl with each flush
- EverClean® Surface, a permanent antimicrobial surface
- Robust Metal Trip Lever & Metal Shank Fill Valve
- Includes EZ-Install Tools
- 5-Year Limited Warranty

American Standard

#463970 A/S3517F.101.020

Home Protection Valve

Protect from Leaks and Conserve Water

Monitoring pressure, flow, and temperature while also pairing with wireless leak detectors.

Features:

- DROP App to remotely control system from anywhere
- Provides backflow prevention
- Local leak detection
- 9v battery backup for power outage
- Built in manual system bypass
- 5-year warranty

#704659 WSFD-HPS

K2 Condensing Gas Boiler

Value-priced with Premium Features

- 95% AFUE with 10:1 turndown
- Five wall hung models; 80, 100, 120, 150, 180 MBH
- Reliable Stainless Steel Heat Exchanger
- Available as a heat only or a combi
- User-friendly Sage Control package

Burnham
by
U.S. Boiler Company

#611537 BURK2WT-080B-6T00

PurePro® Condensate Neutralizer Pump

- Prevents acidic condensate from corroding drains and sewer systems
- High-performance and long-lasting proprietary media
- Wall hung or floor mount
- 1.9 gal./hr.
- 500 BTU
- 20 ft. lift

PurePro

681739 PROPP-PUMP

Bradford White Stainless Steel Indirect Water Heater

- Factory-Installed Hydrojet® Total Performance System – Sediment reducing device that also increases first hour rating of hot water while minimizing temperature build-up in tank (excluding SS-120-L)

Replacement gas valves, pilot assemblies, thermostats, pressure switches, etc, all model versions with many universal components available.
Serviceman classes also available upon request.

Push, Turn, Shower

GROHE SmartControl

- **1-5/8" Total Depth** – Whatever the installation depth of the rough-in, the total depth of the trim never exceeds 1-5/8". The Grotherm® GROHE SmartControl® trim combines space-saving convenience in the shower and slim good looks.
- **Thinner Wall Plates** – With a depth of only 3/8", its super slim design makes the SmartControl wall plate is both elegant and compact.
- **Hidden Sealing System** – The integrated sealing system, eliminates the possibility of water seeping in behind the wall.
- **Symbols Can Be Changed** – The control knobs come with a range of different symbols, representing the different shower options. These symbols are clear and recognizable and their functionality distinct.

1-5/8"
