Reorganization of GF Sales Team

Greg Martino has taken over the position of Director – Global Sales from John Mattavi, who retired in April 2013. To fill Greg's previous position, **Darryl Edwards** has accepted the role of National Sales Manager – Vinyl Products. Darryl brought with him a strong background in distribution before joining GF in 2003. He has served GF as an Area Sales Manager successfully and transitioned to Business Development Manager – Vinyls in 2006. In 2010, Darryl became Regional Sales Director in the South where he developed a strong team of Area Sales Managers.

With this change, the Regional Sales Director position in the South Region will now be filled by **Patrick Heath**. Patrick has assisted in our sales growth initiatives as RSD in the North region and we thank him for his efforts. This relocation allows Patrick to return to the Southern Region which was an attractive opportunity to him and his family.

We are happy to announce that **Ryan Warner** has accepted the role of Regional Sales Director position in the North. Ryan has worked with GF for six years as an Automation Area Sales Manager and successfully handled one of the largest sales territories in the company. We are looking for a replacement to fill the position Automation Area Sales Manager in the North Central region.

Please congratulate and wish Darryl, Patrick, and Ryan continued success with GF and in their new roles.
