

PRODUCTS FOR THE POWER INDUSTRY

- **Ashcroft**

Diaphragm Seals, Digital Pressure Gauges, Pressure and Temperature Switches, Dead Weight Testers, Calibrators, Transmitters

- **Conbraco Industries**

Pressure Relief Valves for Steam and Gas Services, Factory Authorized Assembler

- **Crosby® Safety Valves**

Isoflex® Section 1 Safety Valves
Omni-Trim® Pressure Relief Valves
Style JQ Sealed Valves for the Transportation and Storage of Chlorine
Style JOS, JBS and JLT Pressure Relief Valves to Handle all Section VIII Requirements

- **Great Lake Instruments**

pH, ORP, Conductivity, Dissolved Oxygen, Turbidity, Residual Chlorine, Flow & Level

- **IMI Cash**

Pressure, Temperature, Back Pressure Regulators

- **ITT Engineered Valves**

Skotch Trifecta® – Oil and Gas Burner Shutoff Valves

- **Jamesbury, Inc.**

Automated Double Seal® Ball and Wafersphere® Butterfly Valves – Pneumatic, Electric, Automation

- **Neles Automation**

Process Control Solutions: Segmented Ball, Globe, Metal Seated Ball and Butterfly Control Valves

Digital “Smart” Valve Controller and Valve Manager Software

Nelscope Control Valve Diagnostics

NelProf Control Valve Sizing Software

- **Quietflow**

Silencers for Vents, Control Valves, and Pressure Relief Valves

- **Spirax Sarco**

Condensate Recovery Systems, Steam Traps, Condensate Pumps, Pressure and Temperature Regulators

- **Yarway**

Control Valves: Pump Protection, Turbo Cascade, Desuperheaters

Boiler Trim Equipment: Y Pattern Globe Valves

Blow Off Valves: Globe & Ball, Water Level Gauges, Electronic Level Systems, Manometric Indicators

Valvetron® Singletron® Severe Service Ball Valves for Critical Applications

**After Hours
Emergency Service
