Position Title: CD Fleet “CLASS A” CDL Tractor Trailer Driver 1 with Hazmat Endorsement

Location: Central Distribution

Reports To: Fleet Supervisor

Responsibilities:

- Daily comprehensive pre-trip inspection process for Webb tractor trailers. This inspection includes insuring material is secure, properly loaded and able to be transported to locations safely.
- Possess a ‘SAFETY FIRST’ approach and attitude to daily responsibilities.
- Check, analyze and organize all daily delivery documents/paperwork. Must make sure all documents pertaining to material loaded on truck are correct according to Webb operating procedures.
- Maintain perfect and accurate truck log according to State and Federal Regulations.
- Safe, efficient and timely transport of Webb inventory to any one of our 77 branches. Pick up/Deliver to Webb Vendors on a daily basis.
- Assist at branches in the loading and unloading of all material delivered or product considered “branch returns”.
- Must maintain consistent daily operational contact with Fleet Supervisor and/or Warehouse Manager. Must check with one or each on a DAILY basis in person before leaving Central Distribution for the day.
- Ability to work service Webb Branches located throughout New England.

Qualifications:

- Must possess a good driving record
- Must be able to lift 70 lbs.
- Ability to work in CD in any position requested during “down-time” period.
- Provide an extremely high level of customer service and courteousness at all times.
- CDL CLASS ‘A’ License and Hazmat endorsement required.
- Must be flexible to different daily start and finish times and be willing to work overtime if requested.
